PAD-UATGS

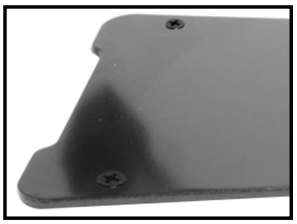
Universal Anti-Theft Security Grip Holder with Stand

for iPad and Tablets

Security and convenience for your iPad and Tablets!

Adjustable stand for both horizontal and vertical positions

Sturdy security lock and cable



Security screws for securing to surface

Keep any tablet secured with CTA Digital's Universal Anti-Theft Security Grip Holder with Stand for Tablets. This heavy-duty metal holder adjusts diagonally to fit any iPad or tablet size with a secure grip on the corners. The holder grip can then be locked and attached to a secure object using the included cable lock and keys.

A solid metal stand offers stability and can be secured to a desk or countertop through predrilled holes for easy installation and extra security. The holder can tilt to easily adjust the viewing angle and rotate for horizontal or vertical views. With the perfect design to use any tablet as a workstation, retail display or POS system you can have convenience and security with CTA's Universal Anti-Theft Security Grip Holder with Stand for Tablets.
